The other major ongoing project is a series of improvements to Great River Park in East Hartford. 2021 was spent primarily in the design and permitting phase however all of the lightpoles in the park were replaced. Beginning in 2017, Riverfront Recapture took over the responsibility for park maintenance from the Metropolitan District Commission. A majority of the park maintenance such as mowing, tree care, and other landscaping is performed by subcontractors. Volunteers have been incorporated into the maintenance plan as companies are increasingly looking to engage employees on community projects. While still muted by Covid, the number of volunteers grew significantly to 700 in 2021 - a large improvement over the handful of volunteers came out in 2020. Riverfront manages the parks for the City of Hartford and Town of East Hartford. The municipalities are connected by walkways on the Founders and Charter Oak Bridges. The Riverfront has been a catalyst for economic investment with the development of hotels, a convention center, a science center, and entertainment complex, and housing on adjacent land. Rangers provide hospitality and information, in addition to creating a secure environment for park visitors. Rangers are responsible for opening and closing the parks on a daily basis throughout the year. Between May and October, the busy season for the parks, the Rangers have an increased presence. They provide information and directions to park visitors, assist with parking and boat launch activities, and enforce park rules. Safety precautions to deal with social distancing were implemented for park visitors in 2020, but the parks have remained open and busy since the beginning of Covid.
